

Question	Person	Week :				
		Monday	Tuesday	Wednesday	Thursday	Friday
What did I complete yesterday?	Connor	N/A	<ul style="list-style-type: none"> <li>- All the meetings</li> <li>- Cleaned up code and commenting for scaling and encoding functions</li> </ul>	<ul style="list-style-type: none"> <li>- Prep for meeting with Scott and meeting with Scott</li> <li>- Meeting on the plan of</li> </ul>	<ul style="list-style-type: none"> <li>- Wrote function for MDS and incorporated into clustering function where applicable</li> </ul>	<ul style="list-style-type: none"> <li>- Retrospective meeting</li> <li>- Created a more detailed flowchart with my understanding of the</li> </ul>
What will I work on today?	Connor	N/A	<ul style="list-style-type: none"> <li>- Practice Presentation</li> <li>- Meeting with Scott</li> <li>- Team discussion on labeling and modeling</li> <li>- Start writing functions</li> </ul>	<ul style="list-style-type: none"> <li>- Continue coding function for easy clustering, see if can incorporate the two sklearn semi-supervised methods (to make testing</li> </ul>	<ul style="list-style-type: none"> <li>- Retrospective meeting</li> <li>- Fix the issue with Hierarchical clustering in the clustering function</li> <li>- Finish documentation for</li> </ul>	<ul style="list-style-type: none"> <li>- Sprint planning</li> <li>- Meeting with UDL (and prep for meeting)</li> <li>- Continue researching semi-supervised learning?</li> </ul>
Am I blocked by anything?	Connor	N/A	<ul style="list-style-type: none"> <li>- Some uncertainty on how we want to model in-light of the possibility of mixed labels and not all sensors conforming to</li> </ul>	No	No	No
What did I complete yesterday?	Claudia	N/A	<ul style="list-style-type: none"> <li>-started labelling data - meeting with Jiachen - sprint planning meeting</li> <li>-looked into semi-supervised with sklearn</li> </ul>	<ul style="list-style-type: none"> <li>-weekly presentation with Scott -Meeting about labelling -looked over labelling of energy/gas that Alex made -updated</li> </ul>	<ul style="list-style-type: none"> <li>-code review -updated github for team &amp; individual logs -looked into feature selection</li> </ul>	<ul style="list-style-type: none"> <li>-coding for minimizing categories for feature selection -retrospective meeting</li> </ul>
What will I work on today?	Claudia	N/A	<ul style="list-style-type: none"> <li>-look more into data labelling and what our approach should be - practice presentation -</li> </ul>	<ul style="list-style-type: none"> <li>-code review -research feature selection -help anyone else with their tasks -double check</li> </ul>	<ul style="list-style-type: none"> <li>-continue looking into feature selection &amp; engineering</li> </ul>	<ul style="list-style-type: none"> <li>-sprint planning -meeting with UDL -write my bio - continue with data prep for feature selection</li> </ul>
Am I blocked by anything?	Claudia	N/A	<ul style="list-style-type: none"> <li>-not sure the exact approach for our model/groupings so makes it hard to label</li> </ul>	What Alex said	<ul style="list-style-type: none"> <li>-for our columns with strings they need to be encoded but since there is so many categories it isn't good to encode them, so</li> </ul>	<ul style="list-style-type: none"> <li>-had computer problems yesterday, hopefully its okay today</li> </ul>
What did I complete yesterday?	Alex	N/A	<ul style="list-style-type: none"> <li>-Friday: Established there are no obvious patterns in sensor update rates + lots of meetings and wrapping</li> </ul>	<ul style="list-style-type: none"> <li>-Weekly Presentation to Scott</li> <li>-Project concept team discussion</li> <li>-Helped query/label data</li> </ul>	<ul style="list-style-type: none"> <li>-Investigate sensors+mdata to refine labeling questions for Jiachen</li> <li>-Finished</li> </ul>	<ul style="list-style-type: none"> <li>-Made influxDB-change slides</li> <li>-Retrospective meeting</li> <li>-Got subquery ~working for getting average update</li> </ul>
What will I work on today?	Alex	N/A	<ul style="list-style-type: none"> <li>-Weekly Presentation to Scott</li> <li>-Meeting to confirm labeling method?</li> <li>-Finish</li> </ul>	<ul style="list-style-type: none"> <li>-Comment/restructure meta-data explore data (didn't do yesterday)</li> <li>-Investigate if we have all energy consumption</li> </ul>	<ul style="list-style-type: none"> <li>-Retrospective Meeting</li> <li>-Write up a few notes on aggregation/sensor update rates (maybe as a section in report?)</li> </ul>	<ul style="list-style-type: none"> <li>-Sprint planning+prep for and have client meeting</li> <li>-Bio</li> <li>-Review detailed flow-charts</li> </ul>
Am I blocked by anything?	Alex	N/A	No	<ul style="list-style-type: none"> <li>-I think we have some questions for Jiachen on labels...but maybe can proceed using what we have as "placeholders"?</li> </ul>	<ul style="list-style-type: none"> <li>No. Will be nice if Jiachen's answers to questions will help us label a few more NRCan tags but I don't think that's a roadblock to</li> </ul>	No
What did I complete yesterday?	Eva	N/A	<ul style="list-style-type: none"> <li>- Modified presentation per Scott's email</li> <li>- Peer evaluation</li> </ul>	<ul style="list-style-type: none"> <li>- Finished code to fix inconsistent data and verified my work</li> <li>- Updated jira</li> </ul>	<ul style="list-style-type: none"> <li>- Metadata review</li> <li>- Reached out to Jiachen</li> </ul>	<ul style="list-style-type: none"> <li>- Create merged data set</li> <li>- Worked with Claudia on approach for encoding</li> <li>- Went through navNames to make smaller groups</li> </ul>
